Who is this guy?

He's the freak who took over the North side of Seoul when he was still a freshman.

Half of Seoul was his turf? No way...

Isn't he just an idiot?

I heard Kim Jong-Hoon got his ass handed to him.

Jong-Hoon was a retard to begin with.

Shouldn't we take care of him before he starts tearing shit apart?

SFX: TAP

We should just wait for his next move for the time being

He'll probably take care of the high school he's been transferred to.

SFX: WHEW

Alright. Have it your way then.

You may leave the temple.

What did you say?

Go and find a place to live on your own.

!!

YOU'RE SERIOUS, OLD MAN...?!

I'll let you leave under one condition.

WHAT'S THAT?!

I found a suitable highschool for you in Incheon.

Incheon?

Here's how we'll settle this.

I'll allow you to find a place to live outside of my temple.

However, if you try to run away from this highschool, or transfer to another place...

I'll make sure to bring you back here, no matter what it takes.

That's it?

Also!

I was expecting much worse...

Since you're starting a new life,

I want you to stop your streak of violence.

Ha!

Nothing I can't handle!

Old man!

You better keep your promise!

Incheon, eh.

Huhu.

AM 5:12

SIGH-

What the hell...

That old man must have planned this all along!

You think I'd give in after this?

Once I figure out the secret behind that punch, everything will be fine.

With that trick under my sleeve, I can take everybody in Incheon on my own...

And if the old man tries to drag me back into the temple, I'll just have to defeat him myself!

NOTHING CAN GO WRONG, RIGHT?!

I can do this on my own.

I don't need anybody's help.

Idiots...

You got beaten up by a single student?

So the rumors about Jo Cheul-Hee coming to Incheon were true...

If he's strong enough to take down Jong-Hoon and our juniors, he really must be something...

Looks like we don't have a choice.

Chapter 4 The true meaning of strength

Principal's office

I shouldn't have taken him under my care, dear sister.

.....

He could have led a peaceful life if we hadn't dragged him into our world.

We had no choice...

I have a lot to atone for...

Raising a child, despite all the sins I've committed in the past...

It's not your fault...

Cheul-Hee hasn't run into any trouble yet, and he would have found out about his powers sooner or later.

I just...

Can't afford to lose anyone dear to me again.

Min-Hyuk said he'd drop by at lunch...

Everything's going to be fine, Heo-Seong.

Let me get this straight-

The girls are in charge of these <Operations>?

Correct. In layman's terms, they are demon-slayers.

And that monster I saw yesterday is a <Patient>?

Well, it was a soul that could not enter nirvana, to be more precise.

OK OK- I get it. Kah! It's just like in the manhwas...

And I somehow got to witness you demon-slayers "operating" on one these "patients"...

Is that what you're trying to say?

That sums it up pretty well.

You want me to believe that load of crap?!

You still have doubts, even after seeing it happen in front of your eyes?

.....

Does Curly-Hair's punch feel different because of her special powers?

That's probably the case.

Wait a minute... Then how is that old man able to...

The three of us...

We used to take care of these monsters in the past.

The three of us...?

Yawn.

Why did you call me over here? I was going to get something to eat.

HOW CAN YOU THINK ABOUT FOOD IN THIS KIND OF SITUATION?

What are you talking about?

Sis, you should first listen to what Yurim Unni (Big Sister) has to say.

Alright, Fine.

What is it?

Min-Hee Unni didn't come to school today.

I saw her heading out with her uniform on this morning.

I think Min-Hee Unni and Uncle went to kidnap that guy. He didn't come to school today either...

You mean that faggot?

SIS, YOU CAN'T BELITTLE HIM LIKE THAT! HOMOSEXUALS AREN'T BAD PEOPLE!

We should treat the minorities with respect and...

OK. I get it.

But what's the big deal?

Nothing's going to change whether he gets caught or not.

YOU'RE NOT TAKING THIS SERIOUSLY ENOUGH! HE SAW US USING OUR POWERS!

If the word gets out...

Who would seriously believe that idiot?

You can never know.

If the public finds out...

That's right. You and Ji-Woo might have trouble entering tournaments from now on.

I DON'T USE MY ABLITIES DURING COMP-ETITIONS!

AND JI-WOO'S ARCHERY SKILLS HAVE NOTHING TO DO WITH HER POWERS!

Do you think...

The normal people will think of us that way?

What do you mean...?

The three of us?

Me, Heo-Seong Hyung-nim (big brother), and your principal...

Impossible.

I had no idea...

He was hoping you'd never find out.

Haah... Really...

SO HOW AM I SUPPOSED TO REACT TO THIS? DO I NEED TO KEEP MY MOUTH SHUT?!

DON'T WORRY! I DON'T WANT TO GET INVOLVED IN YOUR DEMON HUNTING BUSINESS!

That's only half of the story. Don't you understand?

Heo-Seong Hyung-nim sent you here for a reason.

What?

You have powers of your own as well.

The ability to "operate" cannot be acquired through normal means.

You must be born with it. Hyung-nim was torn when he realized you were one of us.

Wha?!

I... have powers too...?!

Hyung-nim didn't want you to follow in his footsteps.

YOU'RE JOKING! I DON'T FEEL ANY DIFFERENT.

I'M NORMAL!!

Yesterday you were able to set foot inside a "room"...

That's not something a normal person can do. Only those with special powers, "Surgeons", have the the ability to enter that space.

That fact alone proves that you have the ability to "operate".

No way...

Come with us. I will help you become stronger.

Why should I trust you?

You can't escape your fate by ignoring what you are!

If you don't learn how to control your powers, you might end up destroying yourself.

Enough bullshit!

I HAVEN'T RUN INTO ANY TROUBLE YET!

WHAT THE HELL DID I DO TO DESERVE THIS CRAP?!

SFX: STEP

UH!

I won't force you to join us. I just want to teach you how to harness your powers.

You're going to train me so I can fight those monsters, right?

YOU CAN'T FOOL ME!

...Didn't you say you wanted to become stronger?

That's true...

But that doesn't mean I want to join your demon hunting club!

You're right...

Couldn't have picked a worse time...

So what should we do then?

You two want to go kidnap that faggot as well?

That's not what I meant...

We need to find a solution to this crisis by ourselves...

But sis, I don't think there's anything we can do.

I feel so helpless right now.

?

!

RZZ

YOU'VE GOT MAIL! YOU'VE GOT MAIL.

IT'S MIN-HEE UNNI!

RZZ

I'LL GO ON AHEAD. YOU TWO BETTER CATCH UP!

I thought Min-Hee Unni went to kidnap that faggot.

Sorry, sis. I had trouble starting my motorbike...

Still, that's what I'd call a perfect timing!

Sorry. I'll keep my mouth shut.

How are you doing...?

YOU SHOULD BE TREATING YOUR OWN WOUNDS FIRST, OLD MAN! WHAT'S WRONG WITH YOU?!

WHAT THE HELL ARE YOU DOING HERE?!

MIND YOUR MANNERS, SON. THAT'S NOT HOW YOU SHOULD ADDRESS AN ADULT!

The principal tells me you've been a naughty boy, so I came to teach you a lesson.

Hunu!

THIS IS NO TIME FOR JOKES!!

DAMN!

WHAT THE HELL'S GOING ON HERE?!

Cheul-Hee.

You wanted to become stronger, right?

.....

I did...

In my opinion,

true strength lies in those who are able to protect things that are dear to them.

.....

Would you consider yourself strong right now?

The demons will hunt you down as long as you possess the ability to operate.

No...

As you've seen earlier, I and Hyung-nim can no longer fend them off like we used to.

Min-Hyuk, that's enough.

...But we can teach you how to control your powers.

???

I want to invite you to our house. There, you can train, and figure out what you would like to do in the future.

.....

SIGH-

Old man...

What is it, son...

You want me to join them as well?

.....

Yes.

.....

...Fine.

I'll do it.

WAIT JUST A SECOND, UNCLE! YOU CAN'T JUST...!!

URGH!

We're okay with that.

Any objections?

Not really...

Hmph! This is why I hate democracy.

Then allow us to introduce ourselves.

Nice to meet you, I'm Min-Hee.

I'm Jung Yurim.

Pleased to meet you, I'm Hwang Ji-Woo.

Dear sister, I'm not sure if this was the right decision.

There was no avoiding it... This was his destiny.

Rest assured, Hyung-nim. I won't go easy on him like you did.

Still, I would rather you refrain from mentioning his mother.

Please, you don't need to worry about that...

Are you buying, sis?

Well then why don't we all go have lunch together

Is the school cafeteria okay?
